

Ref. No. 09/0373/18

Vodňany, 9.4.2018

Dean's measure No. 18 / 2018 **Payment of scholarships in doctoral study programs**

In accordance with the valid Scholarship Regulations of the University of South Bohemia in České Budějovice (hereinafter referred to as the "Scholarship Regulations"), this measure regulates the method of payment of scholarships in doctoral study programs (DSPs) at the FFPW USB.

1) Scholarships will be paid to full-time students monthly according to the following table:

Year of study	Basic scholarship for students of DSP ^{a)}	Scholarship for support of RDI ^{b)}	Extraordinary scholarship for accommodated in premises of the FFPW USB
1.	9,000	5000 - 6000 (0 - 1000)	1000
2.	9,000	5000 - 6000 (0 - 1000)	1000
3.	9,000	5000 - 6000 (0 - 1000)	1000
4.	9,000	5000 - 6000 (0 - 1000)	1000
5.	6,000	2000 – 3000 (0 - 1000)	0
6.	0	0	0

Note: In brackets there are given scholarships for students of the FFPW USB operating outside the laboratory or workplace of the FFPW USB.

a) According to Art. 13, par. 2 of Scholarship Regulations of the USB

b) According to Ar. 5 of the Scholarship Regulations of the USB

- 2) The exact amount of the scholarship for support of research, development and innovation activities of students (hereinafter referred to as the "Scholarship for support RDI) in the table in the point 1) is determined by the Dean after the discussion in the Dean's collegium.
- 3) In addition to the scholarships listed above, the student may receive other types of scholarships for support of RDI when solving an individual project GA JU under the contract of the project; scholarships for support of RDI from the RVO budgets of laboratories, institutes or workplaces; premium scholarships for publication of outputs, extraordinary scholarships, scholarships supporting study abroad, etc.). The allocation of these scholarships is governed by other applicable laws (e.g. the Act No. 111/1998 Coll., about universities and about changes and additions to other Acts, as amended and internal regulations and standards of the USB and the FFPW USB).
- 4) The monthly amount of the scholarship for support of RDI listed in the table in the point 1) for a maximum of two best first-author publications will be increased in the standard period of study:

- a) By CZK 500 for each of the publications from the month following the month in which the student's first author's manuscript related to the dissertation thesis solution was accepted for printing in the journal with the average ranking in the 3rd quartile of fields covered by the Journal Citation Reports (JCR).
 - b) by CZK 1,000 for each of the publications from the month following the month in which the student's first author's manuscript related to the dissertation thesis solution was accepted for printing in the journal with the average ranking in the 2nd quartile of fields covered by the Journal Citation Reports (JCR).
 - c) by CZK 2,000 for each of the publications from the month following the month in which the student's first author's manuscript related to the dissertation thesis solution was accepted for printing in the journal with the average ranking in the 1st quartile of fields covered by the Journal Citation Reports (JCR).
- 5) The monthly amount of the scholarship for support of RDI listed in the table in the point 1) will be decreased:
- a) up to CZK 8,000 (CZK 5,000) for students in the 4th year of study of winter semester if the student does not send any manuscript as the first author related to solution of the dissertation thesis in the paper's editorial office according to the Study and Examination Regulations of DSP at the FFPW USB.
 - b) to CZK 5,000 CZK (CZK 3,000) for students in the 4th year of study of summer semester if the student does not send any manuscript as the first author related to solution of the dissertation thesis in the paper's editorial office according to the Study and Examination Regulations of DSP at the FFPW USB.
 - c) up to CZK 0 for students in the 5th year of study of winter semester if the student does not send any manuscript as the first author related to solution of the dissertation thesis in the paper's editorial office according to the Study and Examination Regulations of DSP at the FFPW USB.
 - d) to CZK 5,000 CZK (CZK 3,000) for students in the 5th year of study of winter semester if the student does not have accepted any manuscript as the first author related to solution of the dissertation thesis in the paper's editorial office according to the Study and Examination Regulations of DSP at the FFPW USB.
 - e) to CZK 0 for students in the 5th year of study of summer semester if the student does not have accepted any manuscript as the first author related to solution of the dissertation thesis in the paper's editorial office according to the Study and Examination Regulations of DSP at the FFPW USB.
- 6) The monthly amount of basic scholarship and scholarship for support of RDI can also be shortened on the basis of the initiative of the student's supervisor, the head of the laboratory where the student works or the director of the relevant institute for another breach of own obligations and duties or in cases where there are no grounds for awarding individual scholarships in excess of the amounts specified in the table in the point 1). The amount of the scholarship in these cases is decided by the Dean of the FFPW USB after discussion in the Dean's Collegium.

- 7) In the case when the student was entitled to the payment of scholarship during the month (e.g. after the enrolment to study) or the entitlement to payment of scholarship ends during the month (e.g. graduation, transition to combined form of study etc.), the scholarship is paid in full if the entitlement period lasted for more than half of the month. Otherwise, the scholarship is paid in the proportional amount.
- 8) The exceptions from this decision are decided by the Dean after the discussion in the Dean's collegium.

This measure cancels the Dean's decision No. 19/2017.

This decision comes into effect on 1th April 2018.

Prof. Dipl.-Ing. Pavel Kozák, Ph.D.
Dean of the FFPW USB
