

OPEN ACCESS/OPEN DATA

Login process

South Bohemian
Research Center
of Aquaculture
and Biodiversity
of Hydrocenoses

HOW to sign up?

„OPEN ACCESS“

Go to the website [CENAKVA](#)

Find the [installation](#) which fit your needs

Contact the installation manager to discuss the open access possibilities – the contact is provided on the [website](#)

Prepare the proposal - Fill in the [Open access](#) form

Internal access - the employees of University of South Bohemia in České Budějovice, External access - others

Send the form together with the CV to the call manager (kocourkovak@frov.jcu.cz)

The call manager checks the formal parts of the proposal and submits the proposal to the head of the laboratory for assessment

Wait for the decision of the proposal evaluation (14 days after call deadline)

If the project is accepted for implementation, the call manager will send you an agreement

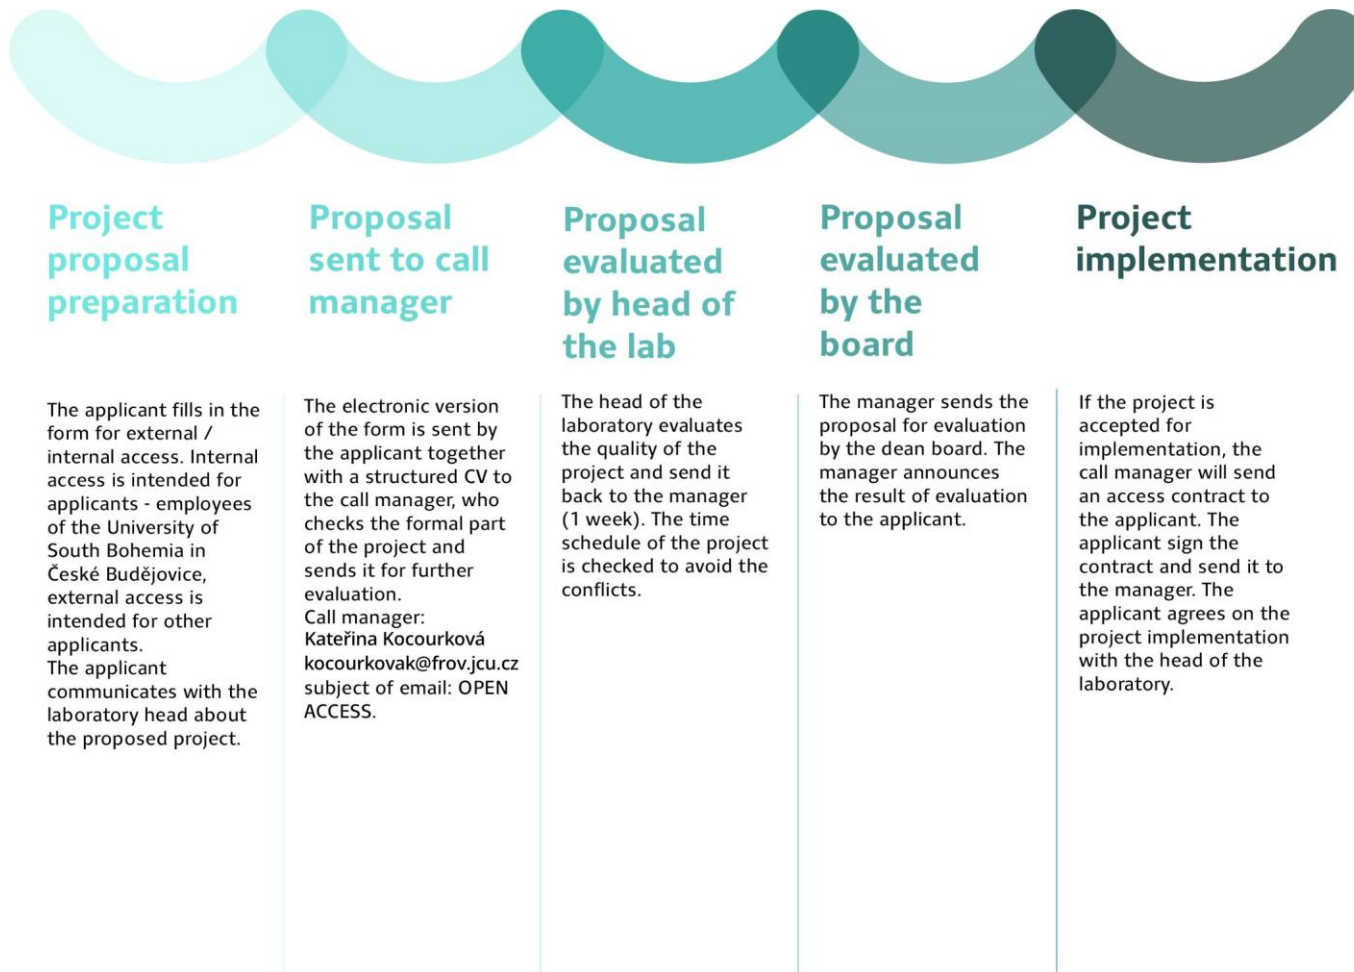

Project implementation

After the project end, the call manager will send you the Evaluation Form

„OPEN DATA“

Data request and data set information are available [here](#).

WHAT is the project submission process?
