

Rozvoj JU - ERDF Kvalita

Project name	Rozvoj JU - ERDF Kvalita
Registration number	CZ.02.02.01/00/23_023/0009130
Implementation period	10/2024 – 12/2028
Recipient	University of South Bohemia in České Budějovice
Grant program	Programme Johannes Amos Comenius
Responsible coordinator (FFPW USB)	prof. Ing. Vladimír Žlábek, Ph.D.

PROJECT GOALS

The subject of the project is the development and modernization of the material and infrastructural facilities of the University of South Bohemia in České Budějovice. The aim is to increase the quality of education in teaching, in work with students, in the area of internationalization and strategic management, and thus also increase competitiveness.

The aim of the project is to develop and modernize the material and infrastructural facilities of the University of Ljubljana. The objectives will be implemented in the following areas:

1. Acquisition of instrumentation and laboratory equipment for bachelor's, master's and doctoral study programs, including construction modifications related to its incorporation, installation and commissioning.
2. Acquisition/creation of study aids, software equipment and information resources for teaching in bachelor's, master's and doctoral study programs.
3. Acquisition/creation of equipment (including software) used to support work with applicants for university studies
4. Acquisition of equipment (including software) necessary for successful internationalization (e.g. welcome office equipment) or for strategic management of the university.
5. Acquisition/implementation of elements increasing the protection of target groups against terrorist/violent attacks.
6. Reconstruction and completion of educational/research spaces, spaces for practical and collaborative learning.
7. Reconstruction and completion of spaces used for internationalization, including welcome offices.

The following key and partial activities will be implemented within the framework of the FFPW JU:

KA 4: FFPW – ERPP – construction works (RAS, tanks,...)

KA 5: FFPW – GRC – equipment

DA 6.1: FFPW – ZR pavilion – equipment

PROJECT BUDGET

	Total budget
Approved maximum amount of support	341 700 955 CZK
FFPW budget	12 241 794,78 CZK
