

Ref. No. JU/2026/028473

Vodňany, October 5, 2026

## **Dean's Measure No. 18/2026**

### **Detailed Conditions for Individual Grant Projects of the Grant Agency of the University of South Bohemia in České Budějovice**

Pursuant to Rector's Ordinance R 652, which establishes the principles of the Grant Agency of the University of South Bohemia in České Budějovice for individual grant projects commencing in 2027, and Rector's Ordinance R 653 on the commencement of the procedure for the award of individual grant projects by the Grant Agency of the University of South Bohemia in České Budějovice for the year 2027, I hereby issue clarifying conditions for this type of project carried out at the Faculty of Fisheries and Protection of Waters of the University of South Bohemia in České Budějovice (hereinafter referred to as "FFPW USB").

#### **I. Introductory Provisions**

1. This measure supplements the conditions set forth in the relevant Rector's Ordinances and in the call for proposals issued by the Grant Agency of the University of South Bohemia in České Budějovice (hereinafter "GA USB") for individual grant projects carried out at FFPW USB.
2. Unless otherwise specified in this measure, the rules set forth in the Rector's Ordinances and in the relevant GA USB call for proposals shall apply in full.

#### **II. Talent-type individual grant projects**

1. The research team for a Talent-type project consists of one doctoral student from FFPW USB as the principal investigator. The research team may also include no more than one co-investigator, who may be a student in a doctoral or follow-up master's degree program accredited at FFPW USB.
2. A doctoral student may submit one application as the principal investigator in a given year and, at the same time, serve as a co-investigator on no more than one other Talent-type project.
3. Projects may be submitted by doctoral students in their first through third years of the standard duration of study (i.e., the project's duration must correspond to the standard duration of study at FFPW USB as per IS STAG). The research team may include a doctoral student in their first through third year or a student in a follow-up master's program at FFPW USB within the standard duration of study.

4. The maximum scholarship amount is 4,000 CZK per month for the principal investigator and 2,000 CZK per month for co-investigators. These scholarships are not included in the guaranteed student income.

### **III. Finish-type individual grant projects**

1. It is not possible to apply the Finish-type project at FFPW USB.

### **IV. Additional Provisions**

1. Funding for an individual grant project may not exceed 150,000 CZK.
2. Project proposals may be submitted only in English.
3. Funds allocated to support participation in conferences must correspond to the purpose of the trip, the location of the activity, and the duration of the stay. The amount of these funds must be reasonable and justified in relation to the planned project activities and is paid in the form of a one-time scholarship for support of Science, Research and Innovation.
4. For professional internships conducted abroad, the maximum monthly support amount is defined by Measure No. 1/2022 of the Vice Dean for Foreign Relations, Awarding Scholarships Supporting International Mobilities of FFPW USB.
5. Compliance with the conditions set forth in this measure is assessed during the review of the project application's eligibility. An application that does not meet these conditions will not be forwarded for expert evaluation.
6. The principal investigator is responsible for the accuracy of the information provided in the application and for promptly reporting any facts that may affect compliance with the project conditions.

### **V. Final Provisions**

1. This measure applies to individual GA USB grant projects commencing in 2027 and to individual grant projects announced in subsequent years, unless otherwise specified by a later measure.
2. This measure takes effect on the date of its announcement.

Prof. Tomáš Policar, m. p.  
Dean of FFPW USB
