

| LIST OF Ph.D. TEACHERS |                                  |                                                  |                   |                                                                        |
|------------------------|----------------------------------|--------------------------------------------------|-------------------|------------------------------------------------------------------------|
| Name                   | Academic title                   | Specialization                                   | Profession        | Address                                                                |
| Zdeněk Adámek          | Assoc. Prof. MSc., CSc.          | Hydrobiology and Aquaculture                     | Academic worker   | IVB AS CR, Květná 8, 603 65 Brno                                       |
| Martin Bláha           | Assoc. Prof., Dipl.-Ing., Ph.D.  | Hydrobiology                                     | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Olga Bondarenko        | M.Sc., Ph.D.                     | Fish Reproduction                                | Scientific worker | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Sergii Boryshpolets    | MSc., Ph.D.                      | Fish Reproduction                                | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Miloš Buřič            | Assoc. Prof., Dipl.-Ing., Ph.D.  | Astacology and etology                           | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Bořek Drozd            | MSc., Ph.D                       | Zoology(fish ontogeny, morphology, ploidy level) | Academic worker   | FFPW USB, Husova tř. 458/ 102, Č. Budějovice 370 05                    |
| Viktoryia Dzyuba       | MSc., Ph.D.                      | Physiology and Reproduction                      | Scientific worker | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Borys Dzyuba           | Assoc. Prof. MSc., Ph.D.         | Physiology and Reproduction                      | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Martin Flajšhans       | Prof. Dipl.-Ing., dr.rer.agr.    | Fish Breeding and Genetics                       | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Ievgeniia Gazo         | M.Sc., Ph.D.                     | Molecular, Cellular and Quantitative Genetics    | Scientific worker | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Astrid Holzer          | M.Sc. , Ph.D.                    | Fish Parasites                                   | Scientific worker | Biology Centre Cas, Č. B.                                              |
| Vojtěch Kašpar         | Dipl.-Ing., Ph.D.                | Fish Reproduction and Genetics                   | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Antonín Kouba          | Assoc. Prof., Dipl.-Ing. , Ph.D. | Astakology                                       | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Martin Kocour          | Assoc. Prof., Dipl.-Ing., Ph.D.  | Fish Reproduction and Genetics                   | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Jan Kouřil             | Prof. Dipl.-Ing., Ph.D.          | Pond Aquaculture                                 | Academic worker   | FFPW USB, Husova tř. 458/ 102, Č. Budějovice 370 06                    |
| Pavel Kozák            | Prof. Dipl.-Ing., Ph.D.          | Astakology                                       | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Tomáš Korytář          | Mgr., Ph.D.                      | Immunological aspects of fish farming            | Scientific worker | FFPW USB, Na Sádkách 1780, Č. Budějovice 370 05                        |
| Jan Kubečka            | Prof. MSc., CSc.                 | Fish Ecology                                     | Academic worker   | BC AV ČR, Hydrobiologický ústav, Na Sádkách 7, 370 05 České Budějovice |

|                         |                                 |                                      |                   |                                                                        |
|-------------------------|---------------------------------|--------------------------------------|-------------------|------------------------------------------------------------------------|
| Otomar Linhart          | Prof. Dipl.-Ing., DSc.          | Fish Reproduction and Genetics       | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Azin Mohagheghi Samarin | M.Sc., Ph.D.                    | Intensive aquaculture                | Scientific worker | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Jan Mráz                | Assoc. Prof. Dipl.-Ing., Ph.D.  | Quality of fish meat, fish nutrition | Academic worker   | FFPW USB, Na Sádkách 1780, Č. Budějovice 370 05                        |
| Hamid Niksirat Hashjin  | MSc., Ph.D.                     | Astakology and etology               | Scientific worker | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Veronika Piačková       | DMV, Ph.D.                      | Ichthyopatolgy and Hematology        | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Tomáš Policar           | Prof. Dipl.-Ing., Ph.D.         | Aquaculture of Fish and Crayfish     | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Martin Pšenička         | Dipl.-Ing., Ph.D.               | Genetics                             | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Tomáš Randák            | Prof. Dipl.-Ing., Ph.D.         | Ichthyology of Free Water            | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Samad Rahimnejad        | M.Sc., Ph.D.                    | Intensive Aquaculture                | Scientific worker | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Marek Rodina            | Dipl.-Ing., Ph.D.               | Physiology and Reproduction          | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
| Koushik Roy             | M.Sc., Ph.D.                    | Fish Nutrition                       | Scientific worker | FFPW USB, Na Sádkách 1780, Č. Budějovice 370 05                        |
| Vlastimil Stejskal      | Assoc. Prof., Dipl.-Ing., Ph.D. | Intensive aquaculture                | Academic worker   | FFPW USB, Husova tř. 458/ 102, Č. Budějovice 370 05                    |
| Otakar Strunecký        | M.Sc., Ph.D.                    | Hydrobiology                         | Academic worker   | FFPW USB, Husova tř. 458/ 102, Č. Budějovice 370 06                    |
| Radka Symonová          | Assoc. Prof. Mgr., Ph.D.        | Zoology                              | Scientific worker | BC AV ČR, Hydrobiologický ústav, Na Sádkách 7, 370 05 České Budějovice |
| Aleš Tomčala            | RNDr., Ph.D.                    | Fish Nutrition                       | Scientific worker | FFPW USB, Na Sádkách 1780, Č. Budějovice 370 05                        |
| Jan Urban               | Dipl.-Ing., Ph.D.               | Signal and Image Processing          | Academic worker   | ISC, Zámek 136, 373 33 Nové Hradky                                     |
| Eliška Zusková          | DVM, Ph.D.                      | Pharmacovigilance and Fish Diseases  | Academic worker   | FFPW USB, Zátiší 728/II, 389 25 Vodňany                                |
